Dear Sir,

Re: Probate

We acknowledge receipt of the form of accounts duly completed by you and we have filed same in the Probate Office. We return herewith the bank statements forwarded to us in connection with the preparation of the accounts.

We have received the Certificate of Title of the Frederick Street property with your name endorsed thereon and we have placed the same in our strong room pending your further instructions and it may be left there indefinitely if you so desire or may be picked up by you at any time.

This completes all matters in connection with the estate and we enclose herewith a memo of our fees and disbursements.

Re: Sale to Herring

We have given the purchasers solicitor a notice to complete and settlement should take place on or before the 11th January, 1960. Please let us have particulars of the exact amount received from the purchaser and the balance now unpaid.

Yours truly,

Henry Davis York & Co

Encl.
